

VIDEO, PHOTO, ONLINE AND CHURCH PROPERTY PERMISSION FORM

Parents/Guardians,

Please circle one option for each statement below:

1. Periodically we video record activities and special events of the preschoolers (Christmas program, field trips, graduation, classroom experiments). These videos will be compiled onto a DVD that can be purchased at the end of the school year.

I do OR do **not** want my child to be included in the videos.

2. Occasionally we take photos of the preschoolers participating in school activities for documentation of their skills, accomplishments they have achieved, or special events (birthdays, class parties, field trips, class visitors). All of these photos will be made available for the parents/guardians to view.

I do OR do **not** want my preschooler to be included in any photos.

3. During the school year we will post photos of school activities on the Hope Lutheran Church and Preschool's website and Facebook page to inform the public about our program. No preschooler will be named or tagged in these photos.

I do OR do **not** want my preschooler to be included in photos that will be used online.

4. Occasionally the teacher will take the preschoolers as an entire class to other areas of the church property for educational purposes (sanctuary for chapel time or program rehearsals, the fellowship hall for indoor gross motor activities, the outdoor playground for recess).

I do OR do **not** want my preschooler to be taken to other areas of the church property for educational purposes.
